

Features:

- Square type 100V line horn speaker
- ABS resin for horn flat, inner horn and rear cover
- Includes line transformer for constant voltage
- Output power selectable from different impedance
- U shaped mounting bracket

Specifications:

- Color: Ivory
- Input power (RMS): 30W (100V line)
- Input impedance: 330 $\Omega$ , 670 $\Omega$ , 1K $\Omega$ , 2K $\Omega$ , 3.3K $\Omega$ , 10K $\Omega$
- Preset impedance: 330 $\Omega$
- Frequency response: 350HZ-5kHz (-10dB)
- Output power: 1, 3, 5, 10, 15, 30W
- S.P.L: 107dB (1W/M)
